CAPRI ELEMENTARY · 2026-27

Science Fair

Thursday, Nov 19 • 5–7 PM • MPR

What do you love? Find the science in it!

Every K–6 student is invited. Pick something fun, ask a question, and test it.

⚽ **SPORTS**
Does a cold basketball bounce lower?

🍳 **FOOD**
What makes popcorn pop?

🌿 **NATURE**
Do plants grow faster with music?

🎵 **MUSIC**
Can you hear sound underwater?

🧱 **GAMES & LEGO**
Can a Lego bridge hold a backpack?

🎢 **RIDES**
Why do roller coasters make your stomach drop?

🚀 **SPACE & WEATHER**
Why does the Moon change shape?

🫀 **BODY & HEALTH**
Which sunscreen blocks the most sun?

3 EASY STEPS

1. **Pick something you love** and ask a question about it.
2. **Scan to sign up** with your project idea by **Thursday, Oct 22**.
3. **Test it and show it off** at the Science Fair on **Thursday, Nov 19**!

SCAN TO SIGN UP!

localhostusr.github.io/capri-science-fair-2026-27
