2026-27 CAPRI ELEMENTARY

Science Fair

“Science in Life!”

Thursday, November 19 • 5–7 PM • MPR

What do you enjoy most? Is it sports, food, nature, music, games, Lego, Disneyland, or anything else that interests you? **Find the science in it!**

- Open to all students in **grades K–6**.
- Ask your teacher, the STEM teacher, your friends, and your parents about your ideas.
- Students can work alone or in groups of up to three.
- Projects should answer a scientific question about something that interests you.
- Parents will receive the Science Fair Guide with information on how students can design and display a project and manage the timeline.
- A quantity of tri-fold presentation boards will be available in the office, while supplies last.
